8. On or about July 2, 2004, in connection with the General Contract and pursuant to 40 U.S.C. § 3131, Defendant Travelers issued a labor and material payment bond (the "Bond") on behalf of Defendant FKI, as bond principal, bearing a bond number 104297063, for the protection of all persons supplying labor and materials in the prosecution of the work provided for in the General Contract.

However, per the express request of the Owner and Defendant FKI, LMC was required to provide a "Deluge Sprinkler System" at additional costs and expenses in the amount of \$95,770.00.
